**I** was so glad when I found out that I'm still a virgin even though I use a dildo all the time. See, I'm not ready to have full sex but I wanna practice for the real thing. So first I tickle my clit until I get all juicy and then I put the dildo in real slow so it doesn't hurt. By the time I get it all the way up there it feels so good I start doing myself with it hard, just like regular fucking. When I finally have real sex I'll be the most experienced virgin ever!

Okay, so the term "experienced virgin" is an oxymoron, but hey, practice makes perfect!

**B**oy I am so sick of all the sluts in Just18! A girl should save herself for the man she loves! She shouldn't be giving away her most precious gift to any dumbhead senior who feels her up. And my boyfriend agrees. He's totally willing to wait until we're both ready to settle down and have a family before we have sex. Of course I give him some sex stuff, like I'll yank on his penis till he cums, and sometimes I'll even lick it a little bit. But not much, because I don't want him to get the wrong idea!

your boyfriend is  
truly a saint; you'd  
give any man the

## WHAT'S FOR DINNER?

My mom is a total Martha Stewart clone and she spends money like we're rich (which we're totally not.) But I shouldn't bitch; because that's why I got laid for the first time!

See, she ordered this ugly dining room set and then made me wait for the delivery guy. Major bummen, except when he came I didn't care because he was so hot. I mean, watching his muscles while he lifted that table made me think of his *other* muscle, you know, and whether or not it was as hard as his 'ceps. Dirty, huh? Can you tell I was totally ready to get my cherry popped?!

So I started acting all sexy with him, like giving him panty shots while he set up the table. At first he just peeked, but after awhile he was practically drooling. I was creaming my panties, too, so guess what? I started playing with myself right in front of him! It was great, I could tell he was totally freaked when I pulled my soaking wet panties off and started diidling my clit. I mean, he kept working, but he had this awesome bulge under his tight jeans.

That turned me on something fierce and pretty soon my pussy was puddling all over my mom's new chair and I was totally about ready to cum. But it was when he pulled his dick out that I went over the edge. Holy fuck! Seeing that big thing made me totally spazz out.

I guess that turned him on because that's when he scooped me up and sat me down right on my mom's fancy table. I totally didn't know what to do but I was jonesing for his dick so I scooched forward so he could slick it up with pussy juice. And then, whoa, he jammed the whole thing all the way up my cunt. I about jumped through the roof only I couldn't cause I was stuck on his dick!

But it didn't even feel tight so I grabbed hold of his butt and pulled him even deeper. He started pumping then and pretty soon he was fucking me for real, like bracing himself on the table and shoving in and out so fast I couldn't believe it. But damn, it felt good; my pussy was quivering like crazy and my little boobies were bouncing all over the place!

I squeezed his dick real hard with my pussy then, 'cause I heard that guys like that, and sure enough, he went ballistic and starting shooting his jizz into me. He was grunting like crazy and he just kept on spooging till his stuff started to dribble out of my pussy.

When he was finished there was sex juice smeared all over my mom's brand new, expensive-as-shit, table, but she didn't notice. Mainly because she got all excited when I told her she should get a bunch more stuff, like a soft, cushy couch. I bet that'll be even better than the dining room table!

## HAPPY BIRTHDAY!

It was my boyfriend's birthday yesterday and I gave him the best present ever: My butt!

See, he'd been hinting around for the longest time about doing my ass, only it sounded pretty nasty to me. But since he's an awesome boyfriend and it was his birthday and all, I figured what the hell, I could take it up the butt for him!

I wanted it to be a surprise, though, so I started by giving him his first present: this cool Fall Out Boy hoodie. Second was a bottle of champagne from my dad's liquor cabinet. I'd never had any before and man did it make my head (and my pussy!) buzz. After two glasses I was so excited I attacked him on the couch and we started making out. Mmm, champagne kisses!

Pretty soon his rod was way hard so I got up (whoa, head rush from the champagne!) and took off my t-shirt and jeans to show him his third present: this slutty bra and thong I got online. Man, did his eyes bug out, especially when I unzipped him and started blowing him just the way he likes; my fist on the base of his dick and my mouth sucking him real hard. Then I stopped to chug on the champagne bottle and I practically deep-throated him with my cold mouth. Shit, I thought he was gonna pop just like the champagne cork! I knew I'd better give him his special present before he busted a nut in my mouth so I got on my hands and knees and started smearing pussy juice on my buttohole.

"Want some?" I asked, all sexy-like.

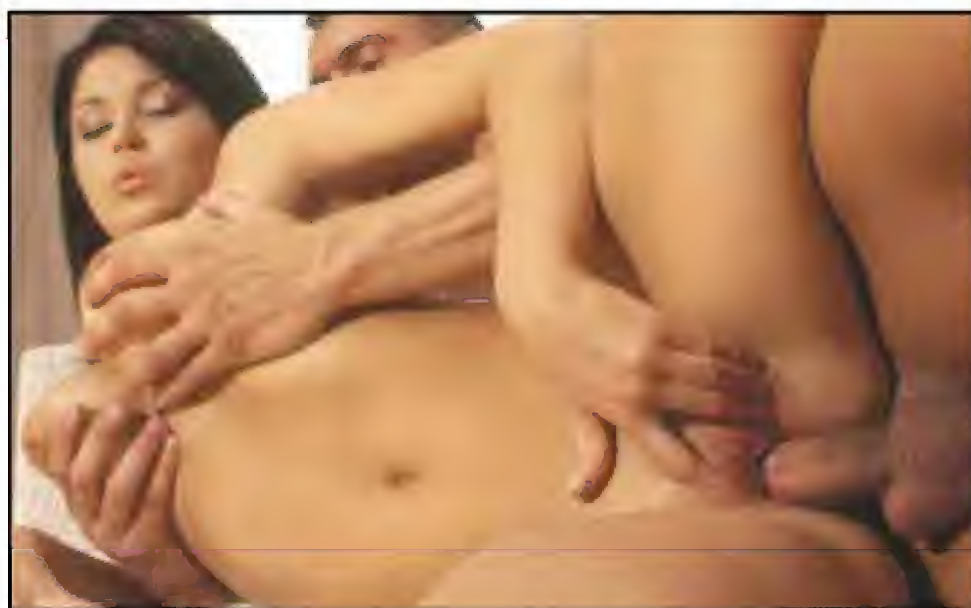

Man, you should have seen his face! But he didn't even say anything, he just got down on his knees and started slicking his dick in my pussy and then rubbing it on my asshole till I was all wet and gooey. It felt so good that it was making my buttohole clench like crazy and after a minute I was totally ready.

Good thing, too, since that's when he popped his fat head right into my poophole. Hot damn! At first it was kinda tight but in just a sec my butt opened right up and he slid in until my ass was so full of dick I thought I'd bust. Even my pussy was loving it, I was juicing so much it was dribbling all over his balls!

He pulled all the way out and shoved his pole in deep again, and pretty soon he was fucking my ass real deep. And it was weird, the feel of his cock sliding in and out of my 'dirty' place was making me feel so slutty I started begging him to do me even harder!

So he did, ramming me really hard till he finally started shooting off inside me. Damn, it was awesome; my butt was all stretched out plus it was all full of spunk. By the time I was done, I wasn't sure who got the best present, him or me!

**C**an you believe my parents made me study classical piano?! Talk about boring! But it paid off good in high school because I got to play keyboards in band. Yeah, I know everyone thinks band geeks are lame-asses, but let me tell you, they fuck more than Goths or even, get this, cheerleaders! Like, in my senior year I had full sex with the tuba player and once I gave two of the tromboners head, at the same time! Plus I went to the Prom with the bass drummer and he banged me just as hard as he ever banged those drums!

Man, who knew what little sluts were lurking under those geeky band uniforms?

**Y**esterday, when my boyfriend was kissing me up, he said he'd give just about anything to see under my panties. So I figured what the heck, and let him have a peek. As soon as I took off my underwear he got all excited and said, "Damn, you've got the cutest little beauty mole on your pussy lip!" Isn't that the sweetest?! It made me feel so good that I told him he could lick it a little if he wanted. He did, and that felt so good that I came (all over his face) in about two seconds!

Dr. Alice

I bet  
he thought  
Alice's pussy  
juice was just  
about the  
sweetest thing  
ever, too!

**M**y mom and dad have always been wannabe hippies, you know the whole tie-dyed shirts and nature and Birkenstocks thing. Gag me. I mean, give me my BlueTooth and my Nano any day! But I do like that whole "free love" thing, except I'm not giving it to anyone but me! See, I have this thing about touching myself, all over, if you know what I mean. Like, even though I never let a guy get to second base, I do a home run on my clit every chance I get. Hey, like my parents always say: If it feels good, do it!

Hell,  
with that body  
it's no wonder  
Summer can't  
keep her hands  
off herself!

**D**o you think that a girl can have sex with another girl and not be a lezzie? I'm wondering because my best friend and I, well, we kind of did it together and now she says we must be lesbians since we liked it so much. It's true, I liked it (a lot!) but the thing is I still think about guys and I wonder how it would feel to have a dick stuck up my pussy. And I totally want to give a blow job. But what the heck, I'm only 18, I can wait awhile to pick straight or gay!

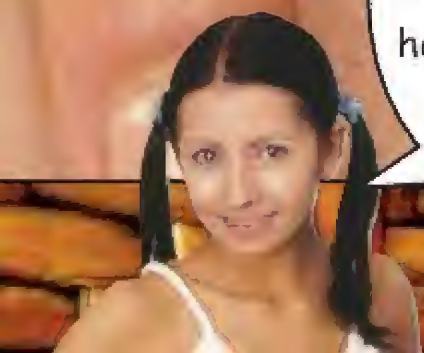

True enough, but I know millions of guys are hoping like hell you'll pick straight!

**I** was in rebel overdrive that weekend. My sister knows I hate weddings but still she made me one of her damn bridesmaids. She even designed a stupid lilac dress to cover all my tempting tattoos. So just to tweak her twat I dyed my hair inkjet-black, hung a lock and chain around my neck for adornment, and didn't wear any bra or panties under the gown. Let my 32 almost-C's hang loose and my tush jiggle freely. And instead of satin heels under that froofy hem, I went with boots and ripped-up stockings held up only by frayed garters. I was going for Depraved Raunch Meets Ceremony Sweetie.

But I still had to dance with a groomsman. The things we do for family, I tell ya! Well, he was sorta cute, at least. Tossed blonde locks, lopsided smile... way too ivy-league for my taste but not horrible. He pulled me close and we twirled. I felt a burgeoning baloney down there between us.

"Mister, is that what I think it is?" I tried to glare at him as we circled the floor but that thing was waking up my untried pussy big time.

He leaned in, breathing hot in my ear. "Mmmm-hmmmm. Y'see, I've always been a leg man and I'd bet my left nut you've got some fine ones under all that froth."

I have to say, he was correct. My legs are my best feature. Long and slender with just the right kind of curves. So he could keep his precious left nut.

Suddenly I had an idea. A way to make this surreal joy-fest all worthwhile. I could get rid of my own "ball and chain"—my virginity! I'd been hauling it around, hoping I'd find the perfect goth guitarist to do me but none of them had been *right* so far. Know what I mean?

So maybe AngelfoodCake Boy here would do the honors. Besides, what were weddings for but hooking up?

"Wanna meet me in the pool house?"

His too-pretty eyes were on a level with mine. A corner of his mouth crept up further. "When?"

"Now."

He stepped back and swept an arm in invitation. "After you." I led the way through the crowd and over the endlessly perfect lawn.

The pool house on this fancy estate my sister had chosen for her "happy" event was way cush. And empty. I swished my skirts as I turned back to lock the door behind us once we'd ducked inside.

When I faced my pretty boy, I was suddenly in the air, being lifted by the waist.

"Hey—!!!"

Now, this is exactly why I don't go for most guys. They think they can push you around just cause you've got an innie instead of an outie.

"Put. Me. Down!"

"Gotta see them long legs, darlin'. Quick."

He set me on top of a table in the center of the big room. Seriously. On top of a table! I stood up there on the high-gloss finish like I was on a fashion runway or something. And his head was down about the level of my—well, you know exactly where it was!

He backed away and folded his arms over his chest. "Lift your dress."

I was all ready to rant and rail ... but that extreeemely lusty look on his face ... well, I'd never had

a guy look at me like that.

I dropped the dress instead of raising it. Let it fall in a lilac snowbank around my feet.

The guy's eyes looked like they were going to roll back up into his head. This was wicked good entertainment!

I stepped out of—and triumphantly on top of—all that satin trash, kicked it away then strutted to the end of the long table and back. I was absolutely naked except for my ratty thigh-high stockings and garters and my don't-give-me-any-shit boots. My tits swayed as I strode, that chain and lock dangling between them. I cupped them for him when I stopped to face him, ran my thumbs over the pebble-hard nipples.

"Oh, my ..." He ground the heel of his palm over the bulge in his rented trousers. "Turn around."

I turned around then looked back over my shoulder at him.

His breathing wasn't steady. I could really get into this, heating up a guy this way. My narrow ass back there was firm, I know. And my legs were slim and firm too.

I sent my hips back and forth like a pendulum. His eyes kept ogling while he ripped off his suitcoat and jerked at the buttons of his ruffy shirt. He eventually got the shirt off too but missed the silly bowtie. He looked adorable with it still tied perfectly around his neck while he practically shredded the trousers in getting them off as well.

He was sure a pretty thing. Not a single scar or inked design.

He came closer and ran his hands real *slow* up the backs of my legs ... swirling behind my knees, shaping my thighs, tracing the line of my garters then, finally, cupping my bare hips. He leaned his face in and licked along the curve where my thigh ends and my ass begins. Then he kissed my ass. Right on the butterfly tattoo above my crack. And then on the little red rocket on the inside of one knee.

By this time I was a wreck. My virgin pussy was gushing and quivering.

"Bend over."

I bent over slowly. I was so into making him pant.

He let go of a gusty sigh when my crack was in his face. His fin-

gers pulled apart my ass cheeks and he licked me again. From my clit all the way up to my butt hole. I went crazy.

I parted my legs more and he dove in—sucking and nibbling and tonguing my pussy and my ass and my clit from behind. I grabbed onto the ankles of my boots to keep from tipping over, I felt so off-balance.

Just then, between my legs I spied his cock, waiting to get to work. It was like a fat wand of overly developed flesh. Pumped up to bursting. The head of it rested on the table and I could just see how the hole at the end leaked

some fluid. My pussy clenched in anticipation.

"Fuck me," I blurted out. I had to have that thing in me or I was gonna go ballistic. I quickly lowered myself to sit at the edge of the table. Right away he raised my legs over my head.

"Keep them straight and cross your ankles."

More demands. But hell, why not?

He tugged my hips into just the right position and tapped his cock against my wet slit. I groaned out loud, it felt so rip-roaring good. He inched it past the outer lips, with one hand pushing my crossed ankles further up and away, exposing my opening more. I wanted to spread my legs wide but he wouldn't have it. He locked them up above my head, and caressed his other hand over my ass, up and down my stockings.

"You're tight as a vise. Are you new to this?"

I nodded and lay my shoulders back down onto the polished surface, arms outstretched. "Please do push it in before I kick you in the nuts."

"So charming in your encouragement." He chuckled and slid in further.

"And a defiant little cherry too ..." He was pressed up against my barrier, testing it, teasing it.

"Pleeeeeease—"

He pierced it quick and thrust all the way in. I cried out, wriggling and grasping and urging him on.

"Ah, fuck!" he shouted and seized my hips with both hands, seriously thrusting into me now. Thick and fast. He bit the back of my knee. My stockings ripped more between his teeth. He shoved even deeper. All my wiggly parts shook while my whole mind glazed over into a happy stupor.

Then he exploded into me with another shout. I shuddered with unspent desire and he unloaded wave after wave of his cum inside. As soon as his cock was wilting and my pussy was dripping with hot goo, he knelt down and opened my shaky thighs.

He still had that dorky bowtie around his neck. But I forgot all about it when his mouth latched onto my clit. His talented tongue dug and spread his cum and circled over my clit again and again. I tried hard not to just clamp his head between my thighs but that's what I felt like doing. In no time at all my insides were rippling and adding my own juices to the rich mix he'd already left in there. And my pretty boy was humming with his success.

As I got up to clean myself, for the first time ever, I realized that weddings were pretty cool. At least, if you're not the one getting married! **18**

## HOW BIG IS BIG AND HOW MUCH DO YOU NEED TO SATISFY YOUR PARTNER?

Because you are larger you penetrate more sensitive areas of the woman. It is possible for you to reach the most sensitive area of all, a woman's G-Spot. These sensations will produce for a woman the ultimate multiple orgasms. Knowing you are giving your partner this pleasurable experience will certainly give you the added confidence of being a better lover.

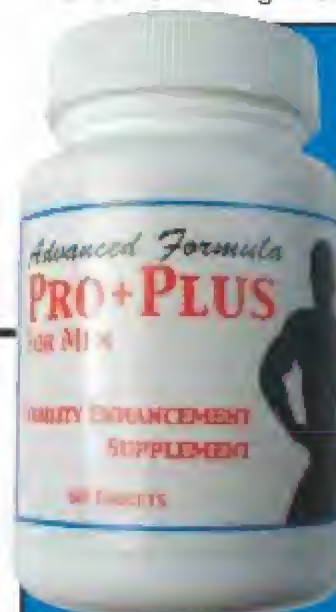

Manufactured in the USA in high-tech facilities producing thousands of pills and liquids every day and meets the highest standards of purity established by the National Research Council, United States Pharmacopeia, National Formulary and the Food Chemical Codex.

**M**y mama is so strict she won't even let me wear a two-piece swim suit or a belly shirt or nothin', can you believe it? But that's kinda good 'cause now she can't see what my boyfriend got me for my 18th birthday! See, when my girlfriend got her boobie tattooed I was so jealous I couldn't hardly stand it. She told my boyfriend and that's why he got me two tattoos (but not on my boobie, ouch!) and a belly ring. Plus he says if I ever put out for him (not) he'll get me a pussy ring (well, maybe!)

Ooh,  
a ring would  
look real purty  
on those fat  
pussy lips,  
don't you  
think?

**J**ulia likes to suck cock and get her pussy fingered and fucked! Big deal, you say! Damn straight it's a big deal, 'cause sweet little Julia's letting all of us watch how much she likes that meat in and out of her holes! Grab *Just 18 #10* at a store near you, online at [www.buyswank.com](http://www.buyswank.com), or call 1-888-211-8110 and see how special she and all of her cum drinking girlfriends are!

Exactly!  
A little sugar  
and spice, a little  
nasty and nice.  
Or something  
like that.

**M**y boyfriend just told me he wants to do me up the ass, like, stick his whole thing up my butt! He says it would feel even better than regular sex. Yeah, for him maybe!

I told him to go shove it (ha ha,) but then I started wondering, you know?

So last night when I was diddling myself, I rubbed my finger around my asshole and then poked it halfway up my butt.

Whoa, everything exploded, like I was cumming a thousand times all at once! So I'm thinking maybe I'll let him do it, but don't tell him, okay?

**Amn**

Too late,  
sweetie, you just told  
him yourself that  
you're ripe for a nice  
ass-fucking!

**Y**ou know how most girls shave off all of their pussy hair? Well I think that's just stupid. Especially for us Italian girls. I mean, we got gorgeous hair, we might as well show it off! After I got my cherry popped (yeah, I'm a bad little Catholic girl!) I did shave off the part right around my cunt hole because my boyfriend told me his cock would slide in easier that way. He was right, now everything's all slick and slippery when I get juiced up. But I still got my patch of girly hair and I'm gonna keep it!

Mama Mia!  
I don't think the  
good Sisters will  
let her wear  
that to school!
